Catholic News Analysis from Africa by Africans, for Africa and the World
Monday, February 2, 2026

Greetings from *VoiceAfrique*,

Monday, February 2, 2026

Beloved in Christ,

As we step into this new month, the Church in Africa continues its sacred journey where time-tested faith meets today's urgent challenges. This week, we bring you stories that challenge, inspire, and invite deep reflection. They are testimonies of courage on the path to justice, of faith taking root in our cultures, of unity forged in hope, and of integrity tested in the arena of public life. May these narratives strengthen our collective resolve to be witnesses of the Gospel's transformative power in every corner of our society

In peace and solidarity,

By Sr. Helen Kasaka, LSMI — PACTPAN Communication Director
